

NORTH BAY HYDRO DISTRIBUTION LIMITED

REQUIRES AN

ELECTRICAL ENGINEERING GRADUATE FOR A DISTRIBUTION COORDINATOR POSITION

North Bay Hydro Distribution Limited strives to provide high levels of customer satisfaction and reliable electrical service within the community of North Bay. Employees are our most valued asset, and we are looking for an energetic and enthusiastic person to come and join our exciting and dedicated team.

Under the direction of the Vice-President, Engineering, the Distribution Coordinator, is responsible for providing technical expertise and engineering skills to assist with the planning and design of the distribution system and implementation of utility's capital expansion, operations and maintenance programs. Other duties include technical analysis to identify the need for system expansions, planning system expansions, project management and preparation of reports and making recommendations that ensure the efficient and reliable operation of the distribution system.

This position will provide future engineers with a variety of relevant work experiences to obtain your P.Eng. licence.

Skills Required:

- Critical-thinking skills
- Ability for self-learning
- Leadership capabilities to provide functional guidance to the Operations Section and supervision to the Engineering Section.
- Excellent written and verbal communications skills
- Critical-thinking skills
- Ability to self-learn through research
- Ability to check own work for accuracy and completeness

Minimum Qualifications Required:

- 4-years bachelor's degree in electrical engineering from an accredited university
- Eligible for membership in the Professional Engineers of Ontario (PEO)
- Understanding of utility's distribution systems and related construction materials and methods.

Interested and qualified applicants are encouraged to submit their resume to Roch Pilon, Vice-President, Engineering, by August 14, 2020. Please quote the position title that you are applying for in the subject line of your email. Only the candidates who meet the qualifications and experience for the position will be contacted for an interview. North Bay Hydro Distribution Limited is an equal opportunity employer and provides accommodation in accordance with applicable laws through all stages of the hiring process. Personal information submitted will be solely used to determine eligibility for employment in this position.

We thank all applicants, but only those selected for a personal interview will be contacted.
