

Regulated Price Plan Election Form for Residential and Small Commercial Customers

Please fill out this form if you want to change the Regulated Price Plan (RPP) structure that applies to the Electricity line of your bill. There are three options: Time-of-Use, Ultra-Low Overnight and Tiered.

Under Time-of-Use and Ultra-Low Overnight pricing, the price you pay for electricity depends on when you use it. Under Tiered pricing, you can use a certain amount of electricity each month at a lower price, and once that limit is exceeded, a higher price applies.

For more information on Time-of-Use, Ultra-Low Overnight and Tiered Pricing and tools to help you decide which price structure is right for you, please visit www.oeb.ca/choice or www.northbayhydro.com.

For your historic consumption: If you are a My Account portal user, view the "Billing Period" tab to download your history. If you are not a My Account user, please call us at 705 474 8100.

Please note: if you have a contract with an electricity retailer, you are not eligible to change your pricing option. You will pay their price until your energy contract expires.

If you have any questions about this form, please contact us at: customerservice@northbayhydro.com or by calling 705 474 8100.

If you wish to remain on Time-of-Use pricing, you do not need to submit a form. You will continue to be billed Time-of-Use pricing unless you choose otherwise.
