

Clearing Projections as of Jan 2025
2025 - Vegetation Management

- 2025 Projections:
- Clearing will take place primarily in low density population areas (along highway corridors, rural areas and off road right of ways)
 - Consultations and permissions requirements are low (estimated 350)
 - Jobs to be tendered:
 - HWY 63 (Q2)
 - Peninsula and Northshore (Q3)
 - HWY 11 North (Q3/Q4)
 - Work allocated to 17 Trees:
 - Larocque Road
 - Airport Hill
 - Additional clearing areas
 - Laughrin Road
 - Lee and Smith's Road
 - 44kV line (continuation from 200 Lee's Road)
